

2009

Dear Community Supporter,

The Japantown Community Congress of San Jose, comprised of representatives from many organizations and enterprises in Japantown, is presenting the Annual Spirit of Japantown Festival on Saturday, September 26, 2009.

Our Mission: **UPP!**

**Unite** all ethnicities, businesses and community organizations together as one to help **Promote & Preserve** San Jose Japantown, one of the last 3 remaining Japantowns in the United States and its 118 year old history.

The Spirit of Japantown Festival Committee invites you to participate in this multi-ethnic festival featuring entertainment, a myriad of vendors, car exhibition, demonstrations and food throughout 8 city blocks surrounding San Jose's historic Japantown. Last year's festival attracted over 10,000 visitors and attendance is expected to increase exponentially due to its huge success.

We offer you the opportunity to join us as a sponsor, donor, vendor, exhibitor, or volunteer in support of the annual Spirit of Japantown Festival.

Thank you.
