Saturday, September 26, 2009**

The Japantown Community Congress and Spirit of Japantown Festival Committee would love for you to be one of our sponsors. However, if it is not possible at this time, you can still help our cause to preserve and perpetuate the significance of the Japantown of San Jose and the surrounding community through support of educational, cultural, and social programs by giving us a donation.

Thank you so much for your consideration. We appreciate whatever you can do to help support us. We hope that in the future you will continue to visit our community to share and learn about our unique blend of cultures in San Jose Japantown.
